Fine Japanese Prints, Drawings and Paintings: The Property of a Gentleman [Henri Vever] [The prints sold at this auction were the remnants of the Vever collection, other than what was saved for the 1997 auction. It included a lot of faded or torn prints that presumably didn't meet the standard of what Sotheby's London wanted for its Vever auctions. Many of these prints were acknowledged to be Vever prints (as far back as 1909-14) or were acquired at auctions (such as Haviland, Manzi, etc.) where Vever was known to have been a purchaser.]
